ART UNIT ~~112~~ 1743

Art Unit: 1102

The terminal disclaimer filed April 5, 1999 has been approved. It is noted, however, that the terminal disclaimer addresses only SN 08/648,675, which has been allowed. SN 08/649,009 was not incorporated into the terminal disclaimer. If for any reason SN 649,009 or an offspring thereof is permitted to issue first among the group of three applications including itself, SN 08/648,675 and the instant application SN 08/648,676, a terminal disclaimer of SN 08/649,009 or its offspring would be necessary in the instant application.

The examiner can be reached at 703-308-3329. His supervisor Robert Warden can be reached at 703-308-2920. Any inquiry of a general nature should be directed to the receptionist at 703-308-0661.
